### **5400 Achievement Adisiswa Jazz Fiesta 2015**

Appreciation charm Student 2015 Absolutely incredible. Annual event is a success disependik entertaining and 'hypnotize' thousands of invited guests in the courtyard Taman Surya. All students throughout Surabaya parade showcased dozens of awards while ujuk skill in front of the Surabaya Mayor Tri Rismaharini, the Supervisory Board of Education and the Head of Education, on Saturday morning (23/05/2015).

The parade stretching from Jalan Jaksa Agung Suprpto, and towards this Suraya Park, featuring a convoy of outstanding students ranging from elementary, junior high, high school and vocational school with a variety of costumes that they had prepared in advance. One that stole the attention of the motorcade parade is DitoRahardianRamadhani, winner of the national contest mime wearing makeup shy smile when waving to the mayor and all the invited guests. The event, themed Student Achievement Degree Spreading Inspiration Surabaya is also filled by a variety of performances such as, fashion costume creations vocational students, mural, show band, choir, cosplay, social media photo contest and drum band from the Polytechnic Sailing Surabaya.

Tri Rismaharini, Mayor of Surabaya in his speech said that he was very happy at all, when he first served as mayor, there were only about 392 children's achievement, and achievement of Surabaya this year reached 5400 children's achievements obtained Surabaya. This made him proud, as well as being evidence that children surabaya able to perform at world level or at the national level. Not to forget he also would like to thank all the teachers, principals, and parents who provide a space in which students surabaya able to perform.

Mayor of Surabaya, Tri Rismaharini asserted, that he was giving apresiasai to events like this, because he thinks this kind of event is able to keep students Surabaya from danger drugs and delinquency.

"Although not all children are endowed with the same intellectual abilities, they can certainly excel in various fields. Begin achieving piecemeal in various fields, Spread, from Surabaya to Indonesia, "said the mayor.

In addition to giving a speech, Mayor Tri Rismaharini also delivers award plaque symbolically to outstanding students both nationally and internationally, which is then followed by a flashmob attended by the mayor, the ranks SKPD together hundreds of members of the Organization Student Surabaya (Orpes) and ended with the reading of the pledge Student Surabaya.

"The show is very interesting, it can motivate students Surabaya so that more can be accomplished, my future there Provincial Sports Week (Porprov) in Banyuwangi in East Java. With events like this, I believe other friends who will face Porprov will be more motivated, "said Shafira (17), from SMAN 14 has been for four years as a fencing athlete.

Head of the Education Department Surabaya, Ikhsan said, compared with the implementation of last year, this year the event more festive because attended by 3,600 participants, which last year only 2,800

participants. Due to more and more students termotivas year for achievement either in academic or non-academic.

"If last year there were 2,206 achievement, then this year more than 5,000 accomplishments have been sculpted by students of Surabaya, these achievements ranging from municipal, provincial, national, and international" Close Ikhsan.
